

The Institute of Risk Management – the world's leading enterprise risk management institute

Leading the risk profession
through delivery of education
and lifelong learning

The Institute of Risk Management:

- passionately believes in the importance and relevance of risk management
- links risk management to the needs of the business community
- is an independent and well-respected advocate of the risk profession and is regularly sought out for its opinions
- operates internationally with members in over 50 countries
- offers services for all sectors and risk disciplines
- is a strong believer in enterprise-wide approaches but recognises that risk specialists really matter too
- supports risk professionals with the demands of changing and challenging business environments
- understands that risk management is as much about people as it is about processes
- operates in a highly practical and accessible way, providing the skills and tools needed to put theory into practice

The Institute of Risk Management, 6 Lloyd's Avenue, London EC3N 3AX.

irm

Leading the risk profession

Providing recognition, networking,
knowledge and career support

Recognition

- Achieving recognition for members: FIRM, MIRM, CIRM and SIRM are recognised globally as the sign of a qualified risk management professional
- Delivering educational programmes that have been recognised for their excellence through awards internationally
- Knowing that investment in education and continuing professional development leads to more effective risk management

Knowledge

- Risk Management Professional, the Institute's quarterly magazine and supporting website www.rmprofessional.com
- Our Online Resource Centre, enabling members to share reports, web links, presentations and templates on topics as varied as ERM, project risk, supply chain, standards, governance and information risk
- A varied programme of short risk management courses designed for the global business community

Networking

- Special Interest Groups, covering topical risk issues, and Regional and Country Members' Groups
- Free or discounted entry to IRM and industry events, such as conferences, roundtables, seminars and workshops
- Online discussion forums, soon to be enhanced by a new and improved website offering interactive webinars and self-service facilities

Career support

- Providing leadership to the risk management profession
- Working with recruiters, governments and employers on the importance of skills, qualifications, competency and professional membership
- Ensuring risk professionals stay up to date in a cost effective and practical way
