

**The Chartered Institute of Loss Adjusters
CONSTRUCTION, ENERGY AND ENGINEERING SIG
in association with
THE LONDON AND HOME COUNTIES AREA**

**Invite you to a
“QUESTION TIME” EVENT**

Date: Wednesday 16th April 2008
Time: 4.00pm – 7.00pm
Venue: Balls Brothers, Minster Court, London EC3

ALTERNATIVELY TITLED “**ALL YOU EVER WANTED TO KNOW ABOUT CONSTRUCTION INSURANCE BUT WERE TOO AFRAID TO ASK**”, THE EVENT WILL FOLLOW THE TRADITIONS SET BY THE BBC WITH A PANEL OF INDUSTRY DIGNITARIES FIELDING QUESTIONS, WITH NO PREPARATION, ON SUBJECTS CHOSEN BY THE AUDIENCE. THE SELECTION OF QUESTIONS WILL BE UNDERTAKEN BY THE SPECIALIST INTEREST GROUP’S CHAIRMAN, MIKE ROBERTS, WHO WILL ALSO BE DONNING A BOW TIE IN AN ATTEMPT TO BRING AN ELEMENT OF CONTROL TO THE EVENT IN THE FASHION OF ROBIN DAY; OR IF NO BOW TIE IS AVAILABLE, DAVID DIMBLEBY! TO ENSURE A LIVELY DEBATE, PANELISTS FROM ACROSS THE INDUSTRY HAVE BEEN VOLUNTEERED TO EXPRESS THEIR OPINIONS. THE PANEL WILL COMPRISE:

FOR THE UNDERWRITERS – Andy Kane MBA. Andy began his career as an engineer working on major construction projects before moving into the insurance industry in 1990. He is currently responsible for Construction and Erection All Risks business at Mitsui Sumitomo Insurance.

FOR THE BROKERS - David Cahill. Currently a Partner within the Construction unit of Jardine Lloyd Thompson Ltd. Dave has responsibility for a wide variety of annual and project specific covers. He has 20 years experience in the field, initially with the in-house broker for a major contractor/developer, so is well placed to comment upon the client’s needs.

FOR THE LAWYERS - Geoff Lord. Geoff, who qualified in 1972, is a Partner at Kennedys. He is a well known industry figure, whose experience in construction insurance is such that he was involved in, amongst many other things, the development of the DE & LEG exclusion clauses.

Through the good graces of the CIL A, participation in this particular event is free for CIL A members, their guests and all those who have an active interest in Construction insurance. Numbers are however limited, so that you are urged to register for attendance quickly through the completion of the registration section of this e-mail. At the same time you are encouraged to submit questions for consideration by the panel. Whilst submissions can be anonymous, we would welcome the questioner posing their particular query to the panel on the night in the traditional way.

Coffee is to be served from 16.00 hours with the event itself scheduled to commence at 16.30 hours. It is anticipated that the final response from the panel will be delivered by 18.30 hours, subsequent to which all attendees will no doubt gather in the bar for post debate deliberation/discussion.

This is, in the CILA's view, an excellent event which should be educational for all regardless of an individual's level of experience, and in addition to CPD points provide a networking opportunity across the spectrum of this class of insurance.
