

irm People, Communication and Behaviour SIG

January 2008

SECOND NEWSFLASH

Firstly, there is now an active team of six (four volunteers plus the Chaiman and I) who will be putting our proposals forward for the **irm flagship event, the RISK FORUM**, which will take place this year on 17th September at Hatfield, Herts. **More on this will follow soon.**

Thursday 6th March - OUR ANNUAL MEETING

Thanks to Norwich Union, we have been given the use of a meeting room combined with a guided tour of the premises at the [RAC Rescue Headquarters](#) - just off the M6 J9 by Walsall Bescott Stadium (for those who follow football).

In addition to the interesting venue with attractions, there will be an important announcement to be made as well as the formal election of officers. If you wish to propose anyone, the positions of Chair, Secretary and Editor of the *NEWSLETTER* are all to be agreed. Michael Ocock and I have both put our names forward for re-election and if there are further nominees, please let me have a note of these before the Meeting.

Exact times will follow, but could you please let me know as soon as possible that you will be attending together with a note if you require a parking space.

NEWSLETTER No 23 concluding the High Management Feature, which was scheduled for January, will now follow later in February.

Bruce Widdowson,
Secretary, People Communication and Behaviour SIG.
