

Invitation

Qatar Foundation, 14th October 2009, 5:00pm - 7:00pm

Risk Management Strategy What's it all about?

Mike Ward MAPM

Director, Outperform UK Ltd

This talk will describe the approach adopted by a Strategic Health Authority in the UK in developing and implementing their Risk Management Strategy, and the resulting benefits, as well as the challenges. Areas covered will include Risk Management Strategy, Policy, Governance, & Corporate and Operational roles. [Note that the Strategic Health Authority is a regional governance organisation for the UK's National Health Service.]

Mike Ward

Mike is a Director at Outperform UK, and specialises in Risk Management, Change Management and Project, Programme & Portfolio Management. He has considerable experience in managing enterprise scale international collaborative programs with several Fortune 500 organizations, both in Europe and the USA and has co-authored a book on PRINCE2 Maturity Modelling. He has over 25 years experience in IT and related Industries, holding positions in both Project Management and R & D, specializing in the areas of Professional Services, Project Management methods and Computer Architectures.

Venue & Places

The talk will take place at the Qatar Foundation and places will be very limited and offered on a first come first serve basis. Hence please **confirm your attendance**. A map of the location will be made available to those attending.

The Institute of Risk Management (IRM)

The Institute of Risk Management is the leading professional education and training body, providing courses on risk management at a range of levels from introductory to expert. The IRM-Qatar Regional Group is an entirely voluntary group made up of interested professionals working in the area of Risk Management in the Qatar region.
