**16th October 2011**

# Msheireb Properties

Launched on March 3, 2009, Msheireb Properties follows the progressive vision of Her Highness Sheikha Moza Bint Nasser to create leading edge urban living concepts that build on traditional Qatari architecture and design.

Msheireb Properties' mandate is to study the built environment of the past in the context of modern, innovative technologies and effectively blend it to create a new architectural language, reflected through its signature project 'Musheireb', a 31-hectare site that will regenerate the core of modern and historical Doha.

Msheireb Enrichment Centre, Msheireb properties' latest CSR commitment, will celebrate the country's heritage, and initiate a knowledge-sharing culture among people in Qatar.

A subsidiary of Qatar Foundation, Msheireb Properties' aims to lead and inspire property development in Qatar and empower the human potential to grow and flourish.

## The Institute of Risk Management (IRM)

The Institute of Risk Management is the world's leading enterprise-wide risk education institute, providing courses on risk management at a range of levels from introductory to expert. The IRM-Qatar Regional Group is an entirely voluntary group made up of interested professionals working in the area of Risk Management in the Qatar region.

## **Rahat Latif**

### **Chairman IRM Qatar and Risk Management Specialist, Qatargas**

Rahat is currently heading the development and implementation of ERM and business continuity across Qatargas, a role which he adopted in August 2010. He came to Qatar in the summer of 2006 to lead risk management on one of Qatargas's major LNG design and construction projects, QG3&4. Rahat has been involved in Risk Management for over 15 years. Prior to coming to Qatar he worked within a consulting environment in the UK, assisting clients from a diverse range of sectors to develop strategic and operational risk management plans, and facilitating implementation. One of his out of work activities is Chairman of the Institute of Risk Management Qatar Regional Group, which he helped to start up.

## **James Portelli** **M. E. Coordinator IRM and Head of Risk, Oman Insurance Company**

James Portelli is a fellow of the Chartered Insurance Institute (Chartered Insurance Practitioner) and a fellow of the Institute of Risk Management

He started his career with Middlesea Insurance plc in Malta in 1990; first moving to the Middle East in 1998. James worked in underwriting (including outward reinsurance), business and product development, training, consulting, insurance management services and enterprise risk management and strategic development in Europe and the Middle East.

James acts as a regional coordinator for the IRM Middle East Network on behalf of the UK Institute of Risk Management and regularly contributes to regional insurance and risk management publications, seminars and training events.
