No alteration of these Articles shall invalidate any prior act of the Board which would have been valid if such alteration had not
been made.

The general powers given by this Article shall not be limited or restricted by any special authority or power given to the Board by any other Article. All powers exercisable by the directors may be exercised at a meeting of directors at which a quorum is present or by written resolution as provided in Article 17.7.

9.2 There shall be a maximum of thirteen directors, comprised as follows:

   ii) eight Elected Directors who shall be elected from Eligible Voting Members as set out in Article 10.1
   iii) up to four Technical Directors (who may be, but need not be, Eligible Voting Members) who are specialist advisors in specific disciplines in which IRM requires particular skills and experience. Their appointment will be in accordance with Article 10.2.

9.3 The Chief Executive shall be a member of the Board as a right of office and is not subject to election by Members.

9.4 With the exception of the Chief Executive, staff receiving salaries from the Institute cannot be members of the Board or any of its committees.

10 Appointments to the Board
10.1 The eight Elected Directors must be Eligible Voting Members. They shall be elected by the Members to take office following the Annual General Meeting. The election of Elected Directors must be in accordance with election procedures which have been set by the Board. Nominees for election must be:
   I) Eligible Voting Members who are over 16 years of age;
   II) nominated by two Eligible Voting Members.

10.2 Technical Directors will be nominated by the Board and approved by Members at the Annual General meeting.

10.3 The Board can fill any vacancy for an Elected Director by appointing an Eligible Voting Member until the next annual general meeting. It can also fill any vacancy for a Technical Director until the next annual general meeting. Any time served on the Board to fill a vacancy will not count towards determining a director’s maximum term of office.

10.4 Any candidate for election or appointment as a director must sign a statement that he is eligible to serve as a company director; and that he accepts the legal roles and responsibilities of being a director.

11 Period of Office
11.1 Subject to Article 13 Elected Directors may hold office for an initial term of up to three years and may be re-elected for one further term of a maximum of three years. In exceptional circumstances the terms of office for any vacancy may be reduced to less than three years by the Board, prior to the election, in order to allow for a staggered succession.

11.2 The Technical Directors shall serve for a period of up to three years from the date of the Annual General Meeting at which they are approved. Following this period they may be approved for up to a further three years in total; with a maximum service of six years. In exceptional
circumstances the terms of office for any vacancy may be reduced to less than three years by the Board, prior to the appointment in order to allow for a staggered succession.

11.3 For all directors a year in office shall be from the end of one Annual General Meeting until the end of the following Annual General Meeting. The maximum term of office (with the exception of past Chairman and the Chief Executive) is six years in total. After serving six years a director can only be re-elected or re-appointed after being out of office for a minimum period of one year.

12 Chairman, Deputy Chairmen and Vice-Chairmen
12.1 The chairman, and up to two deputy chairmen, shall be elected by the Board, from the existing directors, at a Board meeting at least 8 weeks prior to the Annual General Meeting. They shall take up office immediately following the Annual General Meeting.

12.2 The Chairman, and Deputy Chairmen shall hold office for one year. They can be re-appointed for up to two further terms, and can therefore serve for up to three years, if they have sufficient period of office remaining.

12.3 In the event that a vacancy for Chairman or Deputy Chairman arises during their term of office the Board may nominate any director to fill such vacancy for the remainder of the original term of office.

12.4 The two most recent past chairmen provided they otherwise remain as directors shall be designated Vice-Chairmen. A past chairman can serve as a Vice-Chairman for a maximum of three years, and can serve a total term as a director of up seven years.

13 Directors in office before these Articles came into effect
Any director in office prior to the date of adoption of these Articles may continue to be a director until their current elected term expires. Directors serving at the time of the adoption of these Articles, other than the Chief Executive, shall be allocated to the positions of Elected Directors or Technical Directors by the Board before the following AGM.

14 Removal of a Director
14.1 A director will cease to hold office in any of the following circumstances:
- He resigns from the Board by writing to the Chairman, Chief Executive or Company Secretary.
- when the term he was appointed for ends (if he is not re-appointed in accordance with Article 11);
- if he ceases to be a Member of the Institute or if he is suspended or expelled from the Institute. Any director who has been suspended or expelled shall not be eligible for re-election as a director for a period of five years from his re-instatement to the Institute;
- if he fails to attend three consecutive Board meetings without valid grounds which the Board decides are reasonable and acceptable;
- if the Board has passed a resolution to that effect at a Board meeting where at least two thirds of the directors are present (whether or not they vote). The Board meeting must have been called with notice of the proposal to be voted on and the resolution must be passed by at least 75% of the directors who are present and voting;
- if he becomes bankrupt or makes any arrangement or composition with his creditors generally;
• if a registered medical practitioner who is treating that person gives a written opinion to
the Institute stating that that person has become physically or mentally incapable of
acting as a director and may remain so for more than three months; and
• by reason of that person’s mental health, a court makes an order which wholly or partly
prevents that person from personally exercising any powers or rights which that person
would otherwise have.

15 Directors’ conflicts of interest
15.1 Providing a director has disclosed his interest in accordance with Part 10 of the 2006 Act, he
may vote at a meeting of directors or of a committee of directors on any resolution
concerning a matter in which he has, directly or indirectly, an interest or duty and if he does
so vote his vote shall be counted and he shall be counted in the quorum present at a meeting
in relation to any such resolution.

16 Delegation
16.1 The Board can delegate any or all of its powers unless the Articles specifically prohibit this.
By passing a resolution the Board can impose controls and safeguards and require
supervision. The Board can revoke any power which it has delegated at any time without any
restriction.

16.2 The Board shall appoint a Company Secretary and Chief Executive, which positions may be,
but need not be, held by one person, with such functions, tenure and terms of office as the
Board and the Articles may prescribe. The Company Secretary shall not be a director of the
Board but is entitled to attend meetings of the Board and all general meetings. The Chief
Executive shall be a director of the Board and is entitled to attend all of the Institute’s
meetings and meetings of its committees. Neither the Chief Executive nor the Company
Secretary may attend any part of a meeting where their pay or other employment terms are
being discussed including their appointment or dismissal or any disciplinary matter relating
to them. The Board shall delegate day to day management of the affairs of the Institute to
the Chief Executive.

16.3 The Board may set up such committees, advisory groups and working groups of the Board as
it sees fit and can delegate any of its powers to them except where this is specifically
prohibited by the Articles. The Board will from time to time prescribe regulations relating to
the composition of these committees and groups, and any other conditions it deems
appropriate.

16.4 The Chairman and Chief Executive have the right to attend every Board committee meeting.

16.5 The Chief Executive may set up such advisory groups and working groups as he sees fit and
decide on the composition of such groups and any other conditions he deems are
appropriate.

17 Board Meetings
17.1 A minimum of 7 days notice of Board meetings must be given to each director. This period
can be reduced in an emergency situation, to be decided on by the Chairman or any three
directors. Reasonable notice must still be given.

17.2 Notice of Board meetings must be given either by email, post, fax or some other electronic
method to the contact details that the director has given to the Institute for this purpose.

17.3 The Chairman or any three directors can require a Board meeting to be called.
17.4 The quorum for Board meetings is at least fifty per cent of the current number of directors plus one additional director.

17.5 A meeting of the Board may be held either in person or by suitable electronic means agreed by the Board in which all participants may communicate with all the other participants.

17.6 Board meetings must follow the procedures set out in the Articles and any directions or regulations required by the Board.

17.7 A written resolution, signed by a simple majority of all the directors who would be entitled to vote on a resolution at a Board meeting, is just as valid and effective as a resolution passed at a meeting which is properly called and held. The resolution can be communicated to directors in hard copy or electronic form and can be sent to all directors simultaneously or in turn, or by a combination of the two. A director is treated as signifying his agreement to a resolution when the Board receives from him an authenticated document, in hard copy or electronic form identifying the resolution and indicating his agreement. The resolution lapses if not passed before the end of 28 days from the date it was first circulated.

17.8 Board resolutions are decided by a simple majority vote, unless the Articles say that a larger majority is needed. If a vote is equal, the resolution is treated as lost.

17.9 Anything done by the Board, or any of its committees, or by any person as a director or committee member, shall be fully valid and effective even though afterward it is found that:

- A Board meeting was not properly formed;
- There was a defect in the procedure at the Board meeting;
- The person was not properly appointed.

18 The Chairman
18.1 The Chairman will chair Board and general meetings unless he cannot be present in which case either of the Deputy Chairmen will chair, or the Board will select another chairman.

18.2 If no director is present to chair a general meeting, the Members will decide which one of them is to take the chair.

19 General meetings
19.1 The Institute shall hold a general meeting as its annual general meeting within the 8 month period following its financial year end; such meeting shall be held at a place and time as the Board decides and this will be specified in the notice of the meeting.

19.2 All business that takes place at a general meeting shall be considered special and all business that takes place at an annual general meeting shall also be considered special except for the consideration of the income and expenditure account and balance sheet, the reports of the directors and of the auditors, the appointment of directors, and the fixing of the remuneration of the auditors.

19.3 In addition to resolutions for business to be transacted at an annual general meeting in accordance with Article 19.2, resolutions may be tabled by the Board, or by a Member supported in writing by a minimum of 30 other Members, to the office of the Institute not less than 8 weeks prior to the date of the annual general meeting. Resolutions which are accepted to be tabled at the annual general meeting shall be placed on the agenda.
19.4 Any resolution which in the opinion of the Board replicates or duplicates a resolution tabled at either a preceding annual general meeting or at any general meeting held since the preceding annual general meeting may be deemed by the Board not to be acceptable and as such shall not be placed on the agenda for the annual general meeting, and the proposer shall be notified accordingly.

19.5 The Board may call a general meeting whenever it requires. A general meeting may also be convened by Members in accordance with the Companies Act 2006.

19.6 At least 14 clear days notice of every general meeting must be given to members specifying the place day and time of the meeting, and in the case of special business, the general nature of that business. If the notice is not sent to or received by any member entitled to it this shall not invalidate any resolution passed at any meeting.

19.7 Only the business stated in the notice of a general meeting can be considered at the meeting.

19.8 The quorum for general meetings is at least 20 Members present.

19.9 If a general meeting is called by Members under Article 19.5 and a quorum is not present within 30 minutes of the starting time on the notice of meeting, the meeting is dissolved.

19.10 For all other general meetings, if a quorum is not present within 30 minutes, the meeting will be adjourned to a date, time and place decided on by the majority of Members who are present. At the adjourned meeting the Members present will be a quorum.

20 Adjourning general meetings
The chairman of a general meeting can adjourn a meeting if the meeting agrees. The adjourned meeting can be at a different date, time or place, but no business shall take place at any adjourned meeting other than business which might have taken place at the meeting which was adjourned. When a meeting is adjourned for 30 days or more notice of the adjourned meeting shall be given in the same manner as the original meeting.

21 Voting
21.1 Only a Member shall be entitled to vote at General Meetings. Every such Member shall have one vote.

21.2 On a show of hands every Member present in person or by proxy shall have one vote. On a poll every Member present in person or by proxy shall have one vote. All issues, except as provided elsewhere in these Articles or by the Act, shall be decided by a majority vote of the Members and proxy holders present in person or by proxy and voting.

21.3 At any meeting a resolution put to the vote of a meeting shall be decided on a show of hands unless (before or on the declaration of the result of the show of hands) a poll be demanded by the Chairman or by at least three Members present in person. Unless a poll be so demanded a declaration by the Chairman that a resolution has been carried, or carried unanimously, or by a particular majority, or lost and an entry made to that effect in the minute book of the Company shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.

21.4 In the case of an equality of votes, the vote shall be lost.
21.5 Proxies may only validly be appointed by a notice in writing (a “proxy notice”) which—
(a) states the name and address of the Member appointing the proxy;
(b) identifies the person appointed to be that Member’s proxy and the general meeting in relation to which that person is appointed;
(c) is signed by or on behalf of the Member appointing the proxy, or is authenticated in such manner as the Board may determine.

21.6 The instrument appointing a proxy and the power of attorney or other authority, if any, under which it is signed or a notarially certified copy of that power or authority shall be deposited at the Office or at such other place within the United Kingdom (if any) as is specified for that purpose in the notice convening the meeting, not less than 48 hours before the time for holding the meeting or adjourned meeting, at which the person named in the instrument proposes to vote.

21.7 No objection shall be raised to the qualification of any voter except at the meeting or adjourned meeting at which the vote objected to is given or tendered, and every vote not disallowed at such meeting shall be valid for all purposes. Any such objection made in due time shall be referred to the Chairman of the meeting, whose decision shall be final and conclusive.

22 Notices to Members
22.1 Any notice or other document may be served by the Institute on any member either personally or in suitable electronic form, including publication on a website in accordance with the Companies Act 2006, or by sending the same through the post in a prepaid envelope addressed to such member at his last known address as appears in the register of members. Anything sent or supplied by or to the Institute under the Articles may be sent or supplied in any way in which the Companies Act 2006 provides for documents or information to be sent or supplied by or to the company for the purposes of the Companies Acts.

22.2 Any notice or other document, if served by post, shall be deemed to have been served on the second day following that on which the envelope containing the same is posted, and in proving such service it shall be sufficient to prove that such envelope was properly addressed, stamped and posted. Any notice or other document served by electronic means, including publication on the website, pursuant to these Articles shall be deemed served on the day sent if sent on a business day before 4.00 pm but otherwise on the next following business day and in proving service of any such notice it shall be sufficient to prove that the notice was sent to the correct electronic address of the addressee or published on the website.

22.3 Any notice or other document which pursuant to these Articles is required to be served by any member on the Institute or on the Company Secretary or any other officer of the Institute may be served by leaving the same at the Office or by sending the same through the post in a prepaid envelope addressed to the Institute or to the Company Secretary or other officer of the Institute, as the case may be, at the Office.

23 Borrowing and charging
23.1 The Board can borrow for the purposes of the Institute in whatever way it deems appropriate.

23.2 The Board can give guarantees and security in any way over any property in connection with any borrowing allowed by Article 23.1.
24  **Accounts**  
24.1 The Board shall ensure that proper books of accounts are kept with respect to all sums of money received and spent by the Institute. This shall include the purpose for which these sums were received or spent, all sales and purchase of goods by the Institute, and the assets and liabilities of the Institute.

24.2 The books of accounts must be kept at the Institute’s registered office or subject to Section 388 of the 2006 Act, at such other place as the Board decides provided that they are always available for inspection by the directors.

24.3 The Institute may require from time to time that Fellows can inspect the accounts and books of the Institute at reasonable times during business hours.

24.4 At each annual general meeting the Board will provide Members with a proper income and expenditure account for the period since the last preceding accounts made up to a date not more than eight months before such annual general meeting, together with a proper balance sheet made up to the same date. Every balance sheet must be accompanied by proper reports of the directors and the auditors.
