We have prepared these guidance notes to help you with your exemption application. Please read them before completing your application form as any errors may delay your application.

EXEMPTION POLICY

IRM operates an exemption scheme that offers students recognition for other relevant academic or professional qualifications/awards that they may hold. This policy outlines the requirements for exemptions to be offered.

ROUTES TO EXEMPTIONS

There are two types of exemption - Standard and Non-Standard. There are two separate application forms. Please ensure you complete the correct form.

Standard Exemptions

Standard exemptions are where the Institute has previously evaluated qualifications/awards and has determined that such qualifications/awards cover the relevant subject matter and have been tested to a level equivalent to that of the IRM Diploma.

A list of the current available standard exemptions can be found on the IRM website

Non-Standard Exemptions

If you hold a qualification/award which is not shown on the standard exemptions table, but which you feel matches the subject matter and was tested to a level equivalent to the IRM Diploma, you may apply for a non-standard exemption.

Students applying for a non-standard exemption on the basis of another qualification held must provide evidence that they have covered 80% of the syllabus for the Diploma module from which they are seeking exemption.

ELIGIBILITY FOR EXEMPTION

Exemptions are a concession and are awarded at the discretion of IRM. There is no automatic entitlement to exemptions. Where IRM determines that a qualification does not contain sufficient relevant coverage, no exemptions will be awarded.

Where IRM is unfamiliar with an international qualification or the awarding institution, the advice of UK NARIC will be sought. Where UK NARIC is unable to comment on an institution, IRM reserves the right to not award exemptions on the basis of that qualification.

All exemptions are granted on a module by module basis on the basis of completed qualifications. IRM does not award exemptions for exemptions.

Students who have previously failed an examination for a Diploma module are not permitted to subsequently submit an exemption application.

Standard exemption applications are only eligible where the qualification/award has been obtained in the last ten years unless the application is accompanied by a letter of good standing from the professional body who awarded the qualification. This letter should confirm that your knowledge, understanding and experience are up to date.

WHEN TO APPLY

Applications for Standard exemptions must be made at the same time as you enrol as a student member. IRM will only confirm eligibility for exemptions once your student registration has been completed.

Please note that you will not be able to register for subsequent modules until your exemptions have been granted.

SUPPORTING DOCUMENTATION

All exemption applications must include a copy of the certificate confirming successful completion of an academic award/ professional qualification, or a letter from the awarding body confirming the date of completion of the qualification and modules passed.

If your original certificates were not issued in English, then you must submit certified translations of all documents together with copies of the original language documents. Any document which has been translated into English must be certified as an "Accurate translation of the original language documents" by someone who is fluent in both languages and who is not related to the applicant.

FEES

An exemption fee of £150 is charged for each individual module from which you are claiming exemption. Please note that this fee is non-refundable.

ASSESSMENT OF EXEMPTION APPLICATIONS

All Standard exemptions will be acknowledged and confirmed within two weeks of receipt.

The decision of IRM's Exemptions panel is final.
